## Ciara, I Don't Remember

What did I say...to him last night

I can't feel face, trynna focus but my mind ain't right

I remember the party, the DJ, my homies, my man and me

But the rest of it's blurry,

Something I did made my baby go away

Got the same clothes on today

That I had on yesterday

What did I do, what I say

Man I don't remember

Guess I had to much to drink

'Cause I don't remember

Aww, my car ain't outside

How the hell did I get home

Damn, did he drive me, drop me off

Got his stuff and get gone

Can't call my homies, 'cause I'm lookin'...

And I just can't find my phone

I need to talk to somebody

Something I did made my baby go away

Got the same clothes on today

That I had on yesterday

What did I do, what I say

I don't remember

Guess I had to much to drink

'Cause I don't remember

Is he gone forever, man I don't know

I just don't remember

Ohh Ooh Uhh

Wish I could playback, from beginning to the end

I think we started dancing, I kinda remember a kiss there

What a cute bartender...

For the Remy, the Hiney, of Coke, and Gin

'Cause I'm not a drinker

Caught in the moment, my baby got away

Got the same clothes on today

That I had on yesterday

What did I do, what I say

I don't remember

Guess I had to much to drink

'Cause I don't remember

Is he gone forever, man I don't know

I just don't remember

Ooh baby, so intoxicated, had enough

Ohh, coversations, to much drinking

Having fun...What was I thinking

Just celebrating, Ohh... please forgive me

Baby I just don't remember
