

# Ciara, Livin' It Up

I don't believe in much but I believe in you  
I don't believe I care, cause I don't follow rules  
I see a star so bright; no one could be that blind  
No one can crush you out but you

And I, I, I  
Living on the world turning  
And I, I, I  
I'ma be giving mine  
And I, I, I  
I'll be wrong if I don't try  
I don't know when my next move is coming  
All I know is I'll be running  
I, I, I, I'll be living up,  
I'll be living up  
I, I, I, I'll be throwing it up,  
I'll be throwing it up  
I, I, I, I'll be playin it cool,  
'cause a girl's gonna do  
what a girl's gonna do?  
Makin up my own rules  
Ola, Ola, eh /4x

I had my doubts in love but I know it's true  
I don't have many friends, but I got you  
You are a walking God, you are a secret ball?  
Something no one can take from you

And I, I, I  
Living on the world turning  
And I, I, I  
I'ma be giving mine  
And I, I, I  
I'll be wrong if I don't try  
I don't know when my next move is coming  
All I know is I'll be running  
I, I, I, I'll be living up,  
I'll be living up  
I, I, I, I'll be throwing it up,  
I'll be throwing it up  
I, I, I, I'll be playin it cool,  
'cause a girl's gonna do  
what a girl's gonna do?  
Makin up my own rules  
I'ma live life to the fullest  
I'll be speeding like a bullet  
I'll be rolling like a train  
I'll be dancing in the rain  
I, I, I, I'll be living up,  
I'll be living up  
I, I, I, I'll be throwing it up,  
I'll be throwing it up  
I, I, I, I'll be playin it cool,  
'cause a girl's gonna do  
what a girl's gonna do?  
Makin up my own rules  
Ola, Ola, eh /4x
