[Verse:]

Hit the showcase slow

Cop and slam that doe'

Gotta spark those seats

Matching paint and 24's

Hit the shocks

Run the wires from the dash thru the floor

Don't let ya box get hot or ya amps get low

[Pre-Chorus:]

Sitting clean with 2 15's in the back

You hit the switch; you got them girls looking back

[Chorus:]

We like them thugs' with the rattling trunk

Sitting low drop wheels

808 hitting bump thump

Boy we tryna get at ya, if you whipping a rattla

We tryna get at ya, if you whipping a rattla

We like that knock you can hear up the block

With that rattle in your trunk

808 hitting bump thump

Boy I'm tryna get at ya, if you whipping a rattla

We tryna get at ya, if you whipping a rattla

Rattle in ya trunk (hey)

Rattle in ya trunk (hey)

Rattle in ya

Rattle in ya

Rattle in ya trunk (hey)

Rattle in ya trunk (hey)

Rattle in ya trunk (hey)

Rattle in ya

Rattle in ya

Rattle in ya trunk (hey)

[Verse:]

I know ya eyes got deep

When you recline that seat

Got your red top back

And your blue light underneath

[?] parking valet

You can keep it on the low

Cause the Dools and the drools and the whole world knows

[Pre-Chorus:]

You sitting clean with 2 15's in the back

You hit the switch; you got them girls looking back

[Chorus:]

We like them thugs' with the rattling trunk

Sitting low drop wheels

808 hitting bump thump

We tryna get at ya, if you whipping a rattla

We tryna get at ya, if you whipping a rattla

We like that knock you can hear up the block

With that rattle in your trunk

808 hitting bump thump

We tryna get at ya, if you whipping a rattla

We tryna get at ya, if you whipping a rattla

Rattle in ya trunk (hey)

Rattle in ya trunk (hey)

Rattle in ya

Rattle in ya

Rattle in ya trunk (hey)

Rattle in ya trunk (hey)
Rattle in ya trunk (hey)
Rattle in ya
Rattle in ya
Rattle in ya trunk (hey)
[Rap:]
Bet you want a hardcore rapper to spit it
Cause normally an R&B chick wouldn't spit this
I like it when the tweeters tweet they bump, bump
The trunks they thump, thump
It makes me bump, bump
(Ci-Ci say something 2 em)
He keeps it clean
When he leans
And it sitting so right
I'm looking mean in the Range
Sitting low [?]
On, and on, and on
Turning up and make it
Bump, bump, bump, bump, bump
[Chorus:]
We like them thugs' with the rattling trunk
Sitting low drop wheels
808 hitting bump thump
We tryna get at ya, if you whipping a rattla
We tryna get at ya, if you whipping a rattla
We like that knock you can hear up the block
With that rattle in your trunk
808 hitting bump thump
We tryna get at ya, if you whipping a rattla
We tryna get at ya, if you whipping a rattla
Rattle in ya trunk (hey)
Rattle in ya trunk (hey)
Rattle in ya
Rattle in ya
Rattle in ya trunk (hey)
Rattle in ya trunk (hey)
Rattle in ya trunk (hey)
Rattle in ya
Rattle in ya
Rattle in ya trunk (hey)
