

# Ciara, Think I'm In Love

Ciara)

baby boy will you just listen up for the tenth time.I'm getting rid of you just always slaking.I'm doing  
I'm just so sick of you  
why won't you just leave  
take your money and your things.I don't really care about you so just leave.

Nelly)

Girl just give me another chance

I can make up for what i done.do u really think i'm going to hurt you.Your my doll my girl but hey do

Ciara)

I don't really care what you say are do cause you better  
just take your things and leave!I'm just so sick of you always slacking.What's with you can you at le  
chorse)

I'm just so sick of you

why won't you just leave

take your money and things

i don't really care about you so just leave.

Ciara)

Baby boy I hope you heard me right.Cause you really need to get your ass up that couch right now

Nelly)

I can't belive what you're saying.Are you trying to dump me.Cause girl you can't get me back if that

Ciara)

Boy you know that's right i'm dumping you right now.I'll never want a picae of trash like you.So for a
