

Cibelle, Noite De Carnaval

This is a secret no one to tell
I keep on my feathers inside of the cho
I like one by one out, one by one out
One noite spends inside of the cu

Tudo igual
Tudo igual
Tudo igual
Noite de carnaval

Tudo igual
Tudo igual
Tudo igual
Noite de carnaval

Tudo igual
Tudo igual
Tudo igual
Noite de carnaval
Noite de carnaval

My eyes stay wide open
And burns in the sky
I wash all my spirit stay clean to white guy
From water and salt, remains on sounds
Surrounding sounds
It's bursting the silence with things I can't tell

My eyes stay wide open
And it burns in the sky
I wash all my spirit stay clean to white guy
From water and salt, remains on sounds
Surrounding sounds
It's bursting the silence with things I can't tell

Noite de carnaval...
" lai la laiera
Tudo igual
Noite de carnaval...
