

Ciera Wentzel, Things To Give

All the things I have to give,
always come out the same.
All the things I have to give,
I will never claim the blame.

When your feeling special,
I'll be there to share it.
when you wanna tear it,
you always feel the same.

CHORUS

The heat's a rising from the ground,
but lilys don't complain.

When your feeling down,
you just fell shame.

CHORUS

When your tied up
you slide up
you glide up
the way yeah.

When your tied up,
you slide upi,
you glide up,
the way yeah.
