

Cinder, She Said

I am
She said
I guess it's better to leave again
I am
She said
But if we stay this way I know I'll die
She said
I think I'll die
She said

I am
She said
I guess it's better to crawl instead
I am
She said
But I can't stop runnin when I feel I'm scared
She said
And I feel so scared
She said

And she said
Don't touch me there
Don't touch me...
There
Don't touch me there
And she said
Don't touch me...
There
And she said

I am
She said
I close my eyes and I think I can
I am
She said
But it's too damn easy to forget
That she said
And I'll never forget
She said

And she said
Don't touch me there
Don't touch me...
There
Don't touch me there
And she said
Don't touch me...
There
And she said

Oh, she said

Hold me down
Hold me down
Hold me down
Hold me down

And she said
Don't touch me there
Don't touch me...
There
Don't touch me there
And she said
Don't touch me...

There

Don't touch me there

Don't touch me...

There

Don't touch me there

Don't touch me...
