## Cinderella Effect, Black Hole Sun

Black hole sun (Soundgarden. Lyrics by Chris Cornell)

In my eyes indisposed

in disguise as no one knows hides the face lies the snake in the sun in my disgrace boiling heat summer stanch 'neath the black the sky looks dead call my name through the cream and I'll hear you scream again

Black hole sun won't you come and wash away the rain black hole sun won't you come won't you come won't you come

Stuttering cold and damp steal the warm wind tired friend times are gone for honest men and sometimes far too long for snakes in my shoes walking sleep and my youth I pray to keep heaven send hell away no one sings like you anymore

Black hole sun won't you come and wash away the rain black hole sun won't you come won't you come

black hole sun won't you come and wash away the rain black hole sun won't you come won't you come
