

# Cinderella Effect, Clone Your Lover

Clone your lover  
(Zeromancer. Lyrics by Kim Ljung)

Clone Clone Clone your lover  
Clone your lover  
Clone Clone Clone your lover  
Clone your lover

Hello Hello  
who wants the same  
Hello Hello  
calling your name  
Hello Hello  
stole your soul  
Hello Hello  
making you whole

When you're here  
I don't care  
what you say  
what you say to me - as long as you say it!

Clone Clone Clone your lover  
Clone your lover  
Clone Clone Clone your lover  
Clone your lover  
Clone Clone Clone your lover  
Clone your lover  
Clone Clone Clone your lover  
Clone your lover

Hello Hello  
you want to know  
Hello Hello  
who's taking control  
When you're here  
I don't care  
what you say  
what you say to me - as long as you say it to me!

Clone Clone Clone your lover  
Clone your lover  
Clone Clone Clone your lover  
Clone your lover  
Clone Clone Clone your lover  
Clone your lover  
Wish there was something I could do  
Clone Clone Clone your lover  
Clone your lover  
Wish there was something else than you  
Clone Clone Clone your lover  
Clone your lover  
Wish there was the same but new  
Clone Clone Clone your lover  
Clone your lover  
Wish that I could be with you
