

# Cindy Alexander, I'm So Sad That You're Happy

I lost..I lied  
I can't stand to see you smile  
I crawled...I cried  
And I know I need to  
Get a grip Get a life Close the windows in my eyes  
Change my view Change my vibe Say it's over 50 times  
I beg...I bleed  
You don't even miss me

Chorus:  
I'M SO SAD THAT YOU'RE HAPPY  
I CAN'T DRAG MYSELF TO GET PAST THE FACT THAT  
I'M SO SAD THAT YOU'RE HAPPY  
(but I) WISH I WAS  
BIGGER THAN THAT...BIGGER THAN THAT

You shine You thrive  
And you're still the nicest guy  
You make me sick  
Yeah you make me wanna  
Find a fool Find a face Anyone to take your place  
Pick a card Pick a fight Where the odds are on my side  
You touch my face  
but you won't even kiss me

CHORUS

Bridge: You left my motor running....You turn me on....

No more tears No more Calls  
Take your pictures off the wall  
Save my breath Save some cash  
Throw your t-shirts in the trash  
Get a grip Get a life Close the windows in my Eyes  
Change my view Change my vibe  
Say it's over 50 times

CHORUS
