## Cindy Morgan, Alive and well

| Who did you call | Him When the pe | eople ran to His s | strong healing ha | nds Do you know | Who did you |
|------------------|-----------------|--------------------|-------------------|-----------------|-------------|
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
|                  |                 |                    |                   |                 |             |
