

# Cinema Bizarre, Deeper and Deeper

Why - why should we go deeper into this?

I don't know

Try - I'm tryin' to find what's in your secret.

'cause I don't know

Time - the minutes are counted between us

That's why

I'm fallin' deeper and deeper

Getting sweeter and sweeter

You can't obscure desire

'cause you learn as it grows

It's so strong

It lingers on

Forever

How - How come your abundant in my thoughts?

I wonder

Now - I feel that it's scripted into my part.

I still wonder

Time - the seconds are counted between us

Yeah...

I'm fallin' deeper and deeper

Getting sweeter and sweeter

You can't obscure desire

'cause you learn as it grows

It's so strong

It lingers on

Forever

Deep within, in between

Me and myself

So high

Deeper, Sweeter

I'm fallin' deeper and deeper

Getting sweeter and sweeter

You can't obscure desire

'cause you learn as it grows

It's so strong

It lingers on

Forever
