

# Cinema Bizarre, Escape To The Stars

I'm sick and tired of this so-called life  
Without room to breathe  
I toss and turn in my bed all night  
Am I the only one who finds no peace?

What are you waiting for?  
What are you waiting for?

Escape to the stars  
Feeling so free  
Just you and me  
Escape to the stars  
Chasing a dream  
All that we need is to believe  
Escape to the stars

I've always been the one to speak my mind  
Stroke against the stream  
Take on the system or leave it behind  
And you will find a new reality

What are you waiting for?  
What are you waiting for?

Escape to the stars  
Feeling so free  
Just you and me  
Escape to the stars  
Chasing a dream  
All that we need is to believe  
Escape to the stars

Overcome gravity  
Holding you down  
On the ground  
Free from insanity  
No one else is around

Escape to the stars  
Feeling so free  
Just you and me  
Escape to the stars  
Chasing a dream  
All that we need is to believe  
Escape to the stars
