

# Cinema Bizarre, I Don't Believe

I don't believe in anything  
I don't believe in anything

Everyday, everyday  
I just dream away dream away  
to another world  
everyday I can see  
people all around look at me  
I know what they thinking  
He's such a lonely rider  
He's such an outsider  
cause in my heart

I don't believe in anything  
anything if your not with me  
I don'T believe in anything  
anything cause you're not with me  
I don't believe in anything  
anything if your not with me  
I don'T believe in anything  
anything cause you're not with me

Everyday everyday I know what they say  
what they say  
You'll be soon forgotten  
no way no way they can cure me cure me  
I'm a mess inside now  
There's nothing left to fight for  
Nothing to make it right for  
You're in my heart

I don't believe in anything  
anything if your not with me  
I don'T believe in anything  
anything cause you're not with me  
I don't believe in anything  
I don't believe in anything  
anything if your not with me

This is the sound of my remedy  
Cause I am what I am  
You are what you are  
This is my heart in a melody  
cause you are what you are  
I am what I am

I don't believe in anything  
anything if your not with me  
I don'T believe in anything  
anything cause you're not with me
