

Cinema Bizarre, My Obsiession

If you want me to listen whisper
If you want me to run just walk
Wrap your name in lace and leather
I can hear you

You don*t need to talk
Let us make a thousand mistakes
..Cauce we will never learn

Chorus:

You*re my Obsession

My fetish,my religion

My confusion,my obsession

The one I want tonight

You my obsession

The question and conclusion

You are,you are,you are

My fetish you are

You can kiss me with your torture

Tie me up to golden chains

Leave me beggin undercover

Wrong or right

It*s all role play

Let us make a tousand mistakes

We will never learn

Repeat Chourus:

Come to me tonight...

My Obsession Lyrics(Remix)

You are You are You are

You are my obsession

You're my obsession

The question and conclusion

You are You are You are

My fetish you are

Let's make a thousand mistakes

We'll never

You're my obsession, my fetish, my religion

My confusion, my confession, The one I want tonight

You're my obsession

The question and conclusion

You are You are You are

My fetish you are

Come to me

Tonight

You're my obsession, my fetish, my religion

You're my obsession

The question and conclusion

You are You are You are

My fetish you are

You're my obsession

The question and conclusion

You are You are You are

My fetish you are

You're my obsession, my fetish, my religion

My confusion, my confession, The one I want tonight
