

Cinematic Sunrise, You Told Me You Loved Me

You said you loved me.
More than anyone else could ever know.
But now your leaving.
Can we just try to work this out?
And I've never been one to brag.

The nights get lonely.
And all I'm left with is a memory of you.
I try to save this.
But now theres nothing left for me to do.
And I've never been one to brag.

[Chours]
Please don't go, just stay.
I watched with tears in my eyes as you walked away.
Miss your voice, and your touch.
And If I told you I loved you could
[Whispered:that be enough?]

An endless scilence.
It's been too long since I've heard from you.
And I lay sleepless
Knowing that my heart still belongs to you.
and I've never been one to brag.

[Choursx2]

And tonight I stay home and miss you more than you'll ever know.
