

Circle Jerks, 15 Minutes

"The tragic story of a young boy and his one night stand.
There's a lesson to be learned...don't let this happen to you."

You got it
Got it good
Got your twenty-four symptom
Just a little
Just for fifteen minutes
I want a little

15 minutes of fun, pleasure
Now you're gonna go insane
And a trip, trip
Down to the free clinic

Okay <i>[x7]
That's beautiful <i>[x3]
All right
You got it good
Fifteen minutes
