

# Circle Jerks, Deny Everything

I'm innocent  
until i'm proven guilty  
deny everything, deny everything  
I'm being framed  
it's all a set-up  
deny everything, deny everything

i'm just a spook in the wheel  
just a part of the puzzle  
a part of the game  
I'm being framed

innocent  
until i'm proven guilty  
deny everything  
deny everything  
deny everything  
deny everything
