

Circle Jerks, Live Fast, Die Young

I don't wanna live
to be thirty-four
I don't wanna die
in a nuclear war

go on out
get some more
go on out
to the bar, the market or the liquor store

I don't wanna live
to be fourty-three
I don't like
what i see going on around me

go on out
get some more
go on out
get f**ked up and pass out on the floor
go on out
get some more
go on out
to your favorite liquor store
go on out
don't worry about it any more
go on out
get f**ked up
i don't know what for

I don't wanna live
to be fifty-seven
I'm living in hell
is there a heaven?

live fast, die young!
live fast, die young!
live fast, die young!
live fast, die young!
