## Circle Jerks, Live Fast, Die Young

I don't wanna live to be thirty-four I don't wanna die in a nuclear war

go on out get some more go on out to the bar, the market or the liquor store

I don't wanna live to be fourthy-three I don't like what i see going on around me

go on out
get some more
go on out
get f\*\*ked up and pass out on the floor
go on out
get some more
go on out
to your favorite liquor store
go on out
don't worry about it any more
go on out
get f\*\*ked up
i don't know what for

I don't wanna live to be fifty-seven I'm living in hell is there a heaven?

live fast, die young! live fast, die young! live fast, die young! live fast, die young!
