

Circle Jerks, When The Shit Hits The Fan

In a sluggish Economy
Inflation, Recession
Hits the land of the free
Standing in unemployment lines
blame the government
for hard times

we just get by
however we can
we all gotta duck when the shit hits the fan

10 kids in a cadillac
stand in line for welfare checks
let's all leach off the state
gee! the money is really great!

soup lines
free loaves of bread
5lb blocks of cheese
bags of groceries
social security
has run out on you and me
we do whatever we can
gotta duck when the shit hits the fan
