

Circle Of Dead Children, Freethinkers Fight Song

Who am I?

Slumber's spiritual drifter wonder toward the sewer

My life; bounty in the alley-cat's fevered jaws

Laid my body on a hollow altar

A spectacle for the clergy of the infected

Wash my feet {ablution}

Cleanse my soul

Complaisant via fear

Blessed by the collar

Held by the hierology

Led by the shepherd

Trapped by the Lamb

Murdered by the Father

Absent from theopathy

Purge my soul

Pulled the heart from the Lamb

Fed the alley-cat

Drank from the cloud's breast and traced my shadow in sunlight

The figure of divinity

Radiant in simplicity

... and traced my shadow in sunlight
