

Circle Of Dust, Cranial Tyrant

Twisting and turning regurgitate
Mental conflict impressions rotate
Sway then persuade me counterclockwise
Inane reason spoils of demise

Better to neglect hypocrisy
than to accept catastrophe

Psychoanalyze intellectual divide

Cranial tyrant oppress and possess
Subliminal torment power you obsess

(samples)

'Tell me where you came from. ... where you started, come on.'

'We're talking about a thermonuclear explosion
and adios muchachos.' -Aliens

'Michigan has no law against assisted suicide.'

'How long you been with old hog face?
I am old hog face'

'We are in a race between education and catastrophe.'
