

# Circle Of Dust, Rational Lies

Here it is again the voice that scares my thoughts away  
Demands attention for itself, itself alone  
Seems so unthreatening but promises a bitter sting  
Soon my heart and mind become a battle zone

Push aside all reason a sailor to a sirens call  
Excuse reality for temporary lies  
Sometimes i can't believe the things i'll try to justify  
Only more lies again

Get out of my head leave me alone  
You're no longer welcome here  
A voice so sweet with words that kill  
A wicked whisper in my ear

In my time of weakness is when i see your strength displayed  
Screaming silently tickling my ear  
Lie I know who you really are  
And I see your hatred masked behind your smile

Get out of my head leave me alone  
You're no longer welcome here  
A voice so sweet with words that kill  
A wicked whisper in my ear

O' wretched man so failure prone  
Who will deliver me  
I once was lost but now I'm found  
Was blind but now I see

I once was lost but now I'm found  
Was blind but can I see
