

Circle Of Dust, Twisted Reality

World of illusion [living a lie]
Spiritual blindness [no sight from your eyes]
Wisdom of ancients [disturbed from her sleep]
Returning with vengeance [deceiving the weak]

Darkness becomes a veil for those who believe
Emptiness becomes the trail of life for those deceived

Spirits of guidance [masks of disguise]
Seek your destruction [consumed in their lies]
Carefully brainwashed [decisive design]
Of him who controls you [possesses your mind]

Darkness becomes a veil for those who believe
Hopelessness becomes the trail of life for those deceived

Darkness becomes a veil for those who believe
Misery becomes the trail of death for those deceived

Age of illusion [reprocessed untruth]
Cosmic attraction [a synthetic spoof]
Reality twisted [to fit your design]
As hell claims its victim [now you're mine]
