

Circle Of Stars, Circle Of Life

OOOh yeah.

From the day we arrive on the planet
And blinking step into the sun
There's more to be seen than could ever be seen
More to do than could ever be done (Yeah)

Some say eat or be eaten
Some say live and let live (yeah)
But all are agreed as they join the stampede
You should never take more than you give

(Chorus)
In the circle of life
It's the wheel of fortune
It's a leap of faith
It's the band of hope (hppe)
'Til we find our place on the path unwinding (yeah)
In the circle, the circle of life

Some of us fall by the wayside
And some of us soar to the stars
And some of us sail through our troubles (some of us sail)
And some have to live with our scars (oh yeah yeah)

There's far too much to take in here
More to find than could ever be found
But the sun rolling high through the sapphire sky
Keeps great and small on the endless round

(Chorus 2x)
