

Circle Of Stars, Circle Of Life

From the day we arrive on the planet
And blinking step into the sun
There's more to be seen, than can ever be seen
more to do, than can ever be done.

Some say, eat or be eaten
Some say, live and let live
But all are agreed, as they join the stampede
You should never take more than you give

(Chorus) The Circle of life
It's the wheel of fortune
It's a leap of faith
It's a band of hope.
Untill we find, our place
On the path unwinding
In the Circle, the circle of life

Some of us fall by the way-side
And some of us soar to the stars
And some of us sail through our troubles
and some have to live with their Scars

There's far too much to take in here
More to find, than can ever be found
But the sun rolling high through the sapphire sky
Keeps great and small, on the endless round

(Chorus x-2)

In the circle, In the circle, the circle of life.
life, life life life(?) Woaah woaah.
