

Cirque du Soleil, La Nouba

I begin a tale
With a breath I inhale
I cast a spell use the words to propel
Set you assail
To a place where dreams of men dwell
Nightmares efficiently await
To test one sfaith
By how well
You can deal with a tale
That tells itself
Said the storyteller
A best seller is what I have in mind
Ladies and gentlemen
Settled in once upon a time
Is where youll find me
LA NOUBA.
