

# Cirque du Soleil, Lifeline

Hang on  
Every day is a lifetime  
We all mark a fine line  
Between the Earth and sky

Hang on  
We're all facing a deadline  
But sometimes  
The sun will shine

Hang on  
We all stand in a long line  
Seeking answers we never find  
Lost at the end of time

Hang on  
Don't let go of the lifeline  
The lifeline  
Your hand is mine

Hang on  
Take a stand at the frontline  
Don't give up in the meantime  
Keep reaching for the sky
