Citizen Cope, Son's Gonna Rise

Rollin' down the highway Like a rocket God I'm headed to town now Can't stop it With the wheels in my hand As I stand On the floor Of the board Of this car On the road Got this woman in the back seat she's my wifey In the middle of the delivery Man she saves me To this day I don't know why She picked me up When i was down on the road With the wind when it blowed

Well a son's gonna rise in a mile In a mile You'll be feeling fine In a mile you will see After me You'll be out of the dark, yeah You'll get your shot
