

City And Colour, How Come Your Arms Are Not A

You could have the sun
You could have the water
This I'd give to you
You could be the moon
You could be the harbour
I arrive to
You could come over uninvited
You said I'm the one
The one to hold you
Does that go for others too

No surprise (x3)

Yesterday around 4 AM
I thought about you
for a minute or two
I know it's no good
I feel so lonely
Sleeping without you
How come your arms are not around me
I said i'm the one
the one to hold you
But I guess he said that too

No surprise (x3)
