

# City & Colour, Hello, I'm In Delaware

So there goes my life  
Passing by with every exit sign  
It's been so long  
Sometimes I wonder how I will stay strong  
No sleep tonight  
I'll keep on driving these dark highway lines  
And as the moon fades  
One more night gone, only twenty more days

But I will see you again  
I will see you again a long time from now

And there goes my life  
Passing by with every departing flight  
And its been so hard  
So much time so far apart  
And she walks the night  
How many hearts will die tonight  
And will things have changed  
I guess I'll find out in seventeen days

But I will see you again  
I will see you again a long time from now

My body aches,  
and it hurts to sing,  
and no one is moving  
And I wish that I weren't here tonight,  
but this is my life

And I will see you again  
I will see you again a long time from now

And I will see you again  
I will see you again a long time from now
