

City & Colour, Sam Malone

And you can try to fight this all you want,
but I won't be there, I won't be there when you're all alone.
This new season, it brings with it signs of hope, hope.
Now you can't leave me, you can't leave me waiting all alone, all alone.

And I know, there is
Some place I can go
Where no one knows my name.

And I can still remember, you know I can still hear your voice, your voice.
Although your silence, your silence still rings so clear.
And do you think, and do you think I would call
just to hear you breathe, breathe, breathe, breathe?
You always knew, you always knew that just one word would dry up all my tears.

And I know there is
Some place I can go
Where no one knows my name, my name
Where no one knows my name
Where no one knows my name
