

# City High, So Many Things

Hmm

(listen)

I don't understand

Why you had to go

I guess I'll never know

Why life seems so hard

Since you went away

There's still some things I got to say

Even though I'm all alone

I know u want me to be strong

And standin tall admist the rain

Without you life just ain't the same

(Chorus)

And there are so many things

I'd like to ask you

And there are so many things

I still don't know

And there are so many things

I'd like to ask you

Still yet so many things

That I will never know

(ohhh ohhh)

If there was any way

I could see your face again

I'd give my own life

Only you can ease my pain

And if I could turn back the hands of time

It would take me just a moment

To tell you what's on my mind

Even though I'm all alone

I know you want me to be strong

And standin tall, amidst the rain

With out you life just ain't the same

Chorus

(listen)

Sometimes I sit and wonder

Will we ever meet again (will we meet, aggaaain)

wohhohh

But where ever life may lead you (eva, eva)

You'll always have (always have)

a friend in me (in me)
