Civet, Bleed & Burn by Civet

I was 15, you were 21 I was bad news like a loaded gun You were a hard, hard working man I was selling, selling out my band & amp; you bought in... I was 18 at the top of my game Namedropping & Doking for fame You lied, lied to me About all, all I could be & amp; I bought in... You sellout, you souled yer soul, Forget it, you lost control What's done is done, it's now your turn Now your turn to bleed & amp; burn Yer 25 & amp; barley alive You've got a hoodrat you call your wife I'm given y ou loving on the side Cause your cold hard heart is just like mine I'm 21, you're 28 We coulda had our day, we coulda been great But you laying, laying down to win And I'm paying for my life, life of sin & amp; I bought in...
