

CKay, By Now

shimi shimi shimi ya
shimi shimi ya shimi ya
she no dey wear brazziere
when she see me ya
see me ya
nobody wickeder than you shawty
why you dey catch my cruise?
i should be beside and inside you shawty

woah woah by now
we suppose don fuck by now
how you go dey tease me
up till now
eh up till now
make i turn your body
upside down
make our neighbours
hear the sound
it's me and you no one's around ah
no one's around ah

Ra ra
nobody go know
Ra ra
nobody go know

yoyo bitters
the ting dey bitter like yoyo bitters
when you're not around me
e be like sey i dey for hospital

I know what you like
I know what you like
I see it in your eyes
but you too dey disguise
no go slogodo
are you a bad bitch or are you a cat fish?
the story don dey long
if i no pick your call it's not my fault

woah woah by now
we suppose don fuck by now
how you go dey tease me
up till now
eh up till now
make i turn your body
upside down
make our neighbours
hear the sound
it's me and you no one's around ah
no one's around ah

Ra ra
nobody go know
Ra ra
nobody go know

yoyo bitters
the ting dey bitter like yoyo bitters
when you're not around me
e be like sey i dey for hospital
