

# Clan Of Xymox, Muscovite Mosquito

I must write a letter to you  
I must make myself clear  
It is spot on time, right on cue  
I am a clam, somebody said to me  
It's obscene, there must be a motive behind  
It's obscure, there must be someone behind  
A Muscovite Mosquito, a Muscovite Mosquito  
A Muscovite Mosquito, a Muscovite Mosquito  
A vivid image anyway  
Someone said, you're a clam  
Consider this!  
Mmm, listen oh, listen to me, you're far  
A thousand miles away from here  
I am here, i am here in this oozed through country  
Trampled down by magot people  
A dispute will never end  
A retrospection, it sounds obscene  
A disconnection  
A final balance sheet for Muscovite Mosquito  
For Muscovite Mosquito  
For Muscovite Mosquito, it sound obscene  
It sound so obscure, for Muscovite Mosquito  
My final balance sheet is gone... for  
Muscovite Mosquito, Muscovite Mosquito  
It's spot on time, right on cue  
You missed the chance, somebody vexedly said  
It's obscene, there must be motives behind  
It's obscure, there must be someone behind
