

# Clannad, In Search Of A Heart

This heart of mine won't keep  
Or believe in the secret, like the moss on a stone  
This heart of mine won't beat  
It just carries itself away  
These parting times won't break me  
Deserted times stop running  
-backwards-

Ar do chul  
This form of love won't share  
Or give in to a feeling with nothing to gain  
No compromise in time  
You're so near and yet so far  
These parting times won't break me  
Deserted times stop running  
-backwards-

Ar do chul  
And when i turn in silence found  
What i say won't let you down  
And when your call, outside my door  
Ends the searching...
