

Clark Petula, Kiss Me Goodbye

We choose it, win or lose it
Love is never quite the same
I loved you, now I've lost you
Don't feel bad you're not to blame
So kiss me goodbye and I'll try not to cry
All the tears in the world won't change your mind
There's someone new and he's waiting for you
Soon your heart will be leaving me behind
Linger awhile and I'll go with a smile
Like a friend who just happened to call
For the last time pretend you are mine
My darling kiss me goodbye
I know now I must go now

Thought my heart wants me to stay
That guy is your tomorrow
I belong to yesterday
So kiss me goodbye and I'll try not to cry
All the tears in the world won't change your mind
There's someone new and he's waiting for you
Soon your heart will be leaving me behind
Linger awhile and I'll go with a smile
Like a friend who just happened to call
For the last time pretend you are mine
My darling kiss me goodbye
My darling kiss me goodbye
