

Classics Four, Twentyfour Hours Of Loneliness

Nine O'clock I'm sayin'
ten O'clock I'm blue
twelve O'clock I line away
cryin' over you.

Twenty four hours of loneliness
miss you everyday ran on time
twenty four hours of loneliness
assisted that of you
to loose my mind.

One O'clock I'm dreaming
half of years to be
two O'clock I call your name
but you don't answer me.

Twenty four hours of loneliness
miss you everyday ran on time
twenty four hours of loneliness
assisted that of you
to loose my mind.
