

Claude Kelly feat Kat Deluna, I'll be loving you

Yeah

I'll be loving you

Yeah

Everybody wanna know how I got a chick like you

And they can't understand why you're loving me too

But all it takes is just one look in our eyes

And they realize that what we got is the truth

Cuz you put it down in the evening (time)

And you stay around `till the morning (light)

They're just mad that I found

Somebody that holds me down

Shawty I got so much love for you

I'll be loving you all my life

I'll be loving you all the time

I'll be giving you all I got

Girl I promise I'll never stop

I'll be loving you (I will)

I'll be loving you (Oooh I will)

I'll be loving you (Forever)

I'll be loving you (Oooh I will)

I'll be loving you

Everywhere I go people asking me why

I give them the same answer every time

Don't take a genius to see what we got

He gives me good love and he keeps his girl looking fly

Cuz you put it down in the evening (time)

And you stay around `till the morning (light)

They're just mad that I found

Somebody that holds me down

Baby I got so much love for you

I'll be loving you all my life (Oh yeah)

I'll be loving you all the time (All the time)

I'll be giving you all I got (I'll never stop)

Girl I promise I'll never stop

I'll be loving you (I will)

I'll be loving you (Oooh I will)

I'll be loving you (Forever)

I'll be loving you (Oooh I will)

I'll be loving you

Let them talk let them hate

But they can't take away

What we got is too strong

I'll be loving you

Baby here in your arms

Is where I belong

Our love is too strong

I'll be loving you

So let them talk let them hate

But they can't take away

What we got is so strong

I'll be loving you

Baby here in your arms

Is where I belong

Our love is too strong

I'll be loving you

I'll be loving you all my life (All my life)

I'll be loving you all the time (All the time)

I'll be giving you all I got (Yeah yeah)
