Jump in the who ride, slide to the rhythm of

Snoop D.o. double G nigga from the dub

I represent it to the fullest everywhere I go

Guaranteed to bust a ho, yeah I'm so original

I don't have to, I told you from the get go

I like to lay low with my niggas blowin' endo

We like to drink, talk shit, and spit at bitches

And that's the way we do it, sometimes we hittin' switches

In the low-rider slidin' to the hood and back

It's snoop dogg in the motherfuckin' cadillac

They call it Snoop Deville for real

I get the money and I never ever pop no pills

I used to pop'em, I'm lyin' to these xxxxxxxxxxxxxxxx now

I used to do all kind of xxxx when I was wild

They used to call me Lil Bow Wow, now la? m Big Bow Wow

In this motherfucka bustin' a freestyle

Snoop Dogg is in the place to see

Do it with my nephew Freddy D.

Ooh wee, in the place to see

Snoop D.o. double G from the D.P.G.C.

[Chorus:]

Red light, green light [x5]

You ready to roll?

Tell me when you're ready to go
