

# Claude Kelly, This Ain

Everybody knows about it,  
Everybody heard before me,  
This might be by far the coldest thing youve ever done to me.  
You came disguised as a true love,  
Said I was your one and only.  
I guess I wasnt good enough for you,  
Cause you been dippin out on me.  
But I aint gonna blame myself no more,  
And I wont loose sleep at night,  
Cause I know that I did everything a girl should do and more.  
Cry for you all day, what for?  
It wouldnt change one thing between us,  
Cause eitherway youre out the door.  
This aint a sad song,  
It aint a mad song,  
I just feel like you aint meant for me.  
This aint a sad song,  
You dont deserve one,  
Some better days are ahead of me.  
Baby, so dont get it twisted,  
You aint good enough to get a sad song,  
Not anymore.  
This aint a sad song. (Oh no, oh no, oh..)  
Everybodys got opinions,  
Everybodys feeling sorry for me.  
Im sick of people calling me sayin  
Its a shame how he did you dirty.  
If they knew that I was alright,  
If they knew that I felt so free,  
If they saw the fire in my eyes,  
They would see without you that Im happy.  
Cause I dont blame myself no more.  
And I dont loose sleep at night,  
Cause I know that I did everything a girl should do and more.  
Cry for you all day, what for?  
It wouldnt change one thing between us,  
Cause eitherway way youre out the door.  
This aint a sad song,  
It aint a mad song,  
I just feel like you aint meant for me.  
This aint a sad song,  
You dont deserve one,  
Some better days are ahead of me.  
Baby, so dont get it twisted,  
You aint good enough to get a sad song,  
Not anymore.  
This aint a sad song. (Oh no, oh no, oh..)  
Aint no sad song left in me.  
See, I already moved on,  
I already let go, baby yeah.  
So dont you dare feel bad for me.  
No, cause Im through with good things.  
This aint a sad song,  
It aint a mad song,  
I just feel like you aint meant for me.  
This aint a sad song,  
You dont deserve one,  
Some better days are ahead of me.  
Baby, so dont get it twisted,  
You aint good enough to get a sad song,  
Not anymore. (Not anymore)  
This aint a sad song,  
It aint a mad song,  
I just feel like you aint meant for me.

This aint a sad song,  
You dont deserve one,  
Some better days are ahead of me.  
Baby, so dont get it twisted,  
You aint good enough to get a sad song,  
Not anymore.  
This aint a sad song. (Oh no, oh no, oh..)
