

Claude King, Come On Home

Oh you tell me that you're leavin' and tomorrow you'll be gone
But if you decide to change your mind I'll be here come on home
You accused me that I cheated that's the last thing I'd ever do
You're the only love I'll ever know I could never cheat on you
Do anything that you want to but don't leave me all alone
For if you stay gone for a hundred years I'll be here come on home
(guitar - harmonica)
I wish you tell me what's come over you I don't really know what is wrong
If you don't find love I love you certainly I'll be here come on home
Do anything that you want to...
