

Claude King, Give Me Your Love And I'll Give You

Just at the close of a bright summer day just as the twilight had faded away
Soft on the breeze like the cool of a dove someone was singin' an old song of love
Tell me you love me and say you'll be true I love nobody in this world but you
Your heart and my heart and love will entwine
You give me your love and I'll give you mine

Stroll along with me to the quiet shady nook
Where flowers bloom at the side of the brook
Nature is safe dear the birds are red dressed
I place a wild rose on your beautiful breast
Tell me you love me...
