

Claude King, Right Place (At The Right Time)

We're in the right place at the right time and it's easy to go wrong
The soft light shine just right tonight on your lovely face
And a haunting sound of music seem to fill the place
We're both eager to forget life that waits at home
We're in the right place at the right time and it's easy to go wrong
Yes everything is much too right tonight
As we watch our hearts sink slowly out of sight
And being eager to forget life that waits at home
We're in the right place at the right time and it's easy to go wrong
[ac.guitar]
Your kiss is fine there's warm desire in each embrace
And the wine is fine and that makes us want to stay
We both know that it's not right but this feeling is so strong
We're in the right place at the right time and it's easy to go wrong
Yes everything is much too right...
