Claude King, Right Place (At The Right Time)

We're in the right place at the right time and it's easy to go wrong The soft light shine just right tonight on your lovely face And a haunting sound of music seem to fill the place We're both eager to forget life that waits at home We're in the right place at the right time and it's easy to go wrong Yes everything is much too right tonight As we watch our hearts sink slowly out of sight And being eager to forget life that waits at home We're in the right place at the right time and it's easy to go wrong [ac.guitar] Your kiss is fine there's warm desire in each embrace And the wine is fine and that makes us want to stay We both know that it's not right but this feeling is so strong We're in the right place at the right time and it's easy to go wrong Yes everything is much too right...
