

# Claudia Cream Feat. Fatman Scoop, Just A Little

You are a bad boy, dirty boy  
I know you wanna see my sexy ass  
I'll be your love toy all in oil  
I bet you're gonna have a blast

I got a yummy on my tummy  
And you're begging for some honey  
And I know you like to shoot me with your gun  
Don't be a dummy, come to mummy  
Come and chase me like a bunny  
I'll chew you like a gum

Dam da da da di da...

Just a little bit, just a little bit, just a little bit  
Just a little bit of love [x2]  
Just a little bit?  
You are a bad boy, dirty boy  
I know you wanna see my sexy ass  
I'll be your love toy all in oil  
I bet you're gonna have a blast

I got a yummy on my tummy  
And you're begging for more honey  
And I know you like to shoot me with your gun  
Don't be a dummy, come to mummy  
Come and chase me like a bunny  
No the two of us will have some fun  
Dam da da da di da...  
Just a little bit, just a little bit, just a little bit  
Just a little bit of love [x2]  
Dam da da da di da...  
Just a little bit, just a little bit, just a little bit  
Just a little bit of love [x2]
