

# Clawfinger, Paste My Time

From the white man's mouth and the white man's tongue  
There's been hundreds of years of diabolical dung  
So much prejudice piss has been trickling down  
And I can smell the shit coming from miles around  
You're so full of shit you're out of your mind  
What the f\*\*k is wrong don't waste my time  
Waste my time  
I'm not white I'm punk the but colour of my face  
Represents a f\*\*king farce called the superior face  
White power bullshit I'll wipe my pink f\*\*king ass  
With your swastika flag cos it belongs to the past  
You want me to believe that dark skin is a sin  
Well wake up it's 95 where the f\*\*k have you been  
What are you trying to achieve with your racist crap  
That shit's coming out the crack from the bottom of your back  
You're so full of shit you're out of your mind  
What the f\*\*k is wrong don't waste my time  
Waste my time  
You are making me sick with your pathetic ricks  
You try to tell me different colours don't mix  
You tell us so many lies that you believe them yourself  
You spent your whole life blaming everyone else  
You're so full of shit you're out of your mind  
What the f\*\*k is wrong don't waste my time  
Waste my time
