

Clawfinger, Simon Says

You say destiny decided what was ment to be,
I say I decide myself what's to become with me...
Simon says there's not a chance, we're let or get alone,
none of us say anything but we both think he's wrong...

You say we can choose the path of life we walk upon,
I say I already know which path I'm walking on...
Simon says the both of us, we're not allowed to move,
none of us say anything but we both disapprove...

Simon says... (5x)

You say we can change the world if we can change itself,
I say I can change the world before I change myself...
Simon says we're not allowed to change the world we see,
non of us say anything but we both disagree...

Simon says... (13x)
